OPEN RICH ORESHOOT

Childrens and Van Dornum, less sees on the Combination at Goldfield, have a great chance to open REX GROUP OF CLAIMS a big orebody, according to Mat. Murphy, superintendent of the Stl. FOR SALE-The Montana Saloon; ver Pick, who visited the lease recently. He said the lessees were following by a winze a two-foor streak of ore, some of which showed ing down under the old Ish-Sheets air drill in it. The oreshoot is gostope and it is entering unexplored territory.

AMUSEMENTS

CAMERON OF THE ROYAL Many things happen in the vastness

the great Canadian northwest, there the lawless pit their strength and cunning against the power of the red-coated riders who strive to keep the law. It's a land where only the strong survive and where a man quick on the draw has the edge on his fellows Ralph Conner knows this country as no other writer in the world, and his story of "Cameron or the Royal Mounted," which is the feature attraction at the Butler today is a revelation of daring deeds and remance. But It's not always a land of death and pain. Love and romance demand their toll of the lives that come within the great borders, and there's happiness and sunshine to spare enough to dim the tragedies that make this story the most startling and realistic tale of the northwest ever written.

WASHINGTON MINE
